TEMPERATURE CHECKS:

No Touch Temperature checks will be performed randomly throughout the show. This is not optional. Upon passing the temperature check AND signing the WAIVER the participants will be issued a wristband bracelet for identification. Printable Waivers are on the website at RaleighSpringPremier.com

WRISTBAND BRACELETS:

Everyone on the show grounds MUST wear an ID wristband bracelet issued by the horse show.

FACE MASKS/FACE COVERINGS:

Face masks/face coverings – This horse show mandates the use of face masks/face coverings at all times while on the competition grounds except when mounted on a horse or driving a horse-drawn carriage or cart. This is regardless of social distancing and/or family members. Do your part and wear your face mask/face covering as required. Also, a government mandate.

- If you become hot while wearing your face mask/face covering, move to a location where you are alone or at a distance greater than six feet from another person (and preferably 12 feet or more), and lower or drop one side of your face mask/face covering to cool off.
- If an official, competition organizer or member of the organizer's team reminds you to put on a face mask/face covering, you must comply. The competition organizer can impose more stringent requirements than those contained in the Plan.

SOCIAL DISTANCING:

Requirement: All individuals must practice social distancing (or physical distancing) at all times while on the competition grounds by staying at least six feet (about two arms' length) from any person who is not a member of their immediate household. Exception: social distancing is not required while competing (including warm-up) in driving classes where more than one participant is seated in a horse-drawn carriage or cart.

- An immediate household is comprised of individuals who may or may not be related but are consistently living in the same house or dwelling.
- If a competition organizer requires that everyone on the show grounds respect social distancing for the consistency of enforcement, you must comply with this requirement. The competition organizer can impose more stringent requirements than those contained in the Plan.
